

INTEGRATED ASSESSMENT SERVICES SDN.BHD

CQI & IRCA Certified ISO 45001:2018 (OH&S Management System) Lead Auditor Training Course

Aim of this course:

The aim of this course is to provide delegates with the knowledge and skills required to perform first, second and third-party audits of Occupational Health and Safety Management System(OHSMS) against ISO 45001, in accordance with ISO 19011 and ISO 17021, as applicable.

What this course is about?

This course is designed to understand the principles and practices of effective Occupational Health and Safety Management System(OHSMS) audits using a structured approach. You will be channeled through an end to end audit process from initiation to follow-up and closure. During the 5 days you will acquire knowledge and skills required to undertake and lead a successful Occupational Health and Safety Management System(OHSMS) audit.

- ◆ Seats for this course are limited and are allotted on first-come-first served basis. For joining the course, participants have to fill in a nomination form and email it to info@eascertification.com.
- ◆ Payment of the course fee can be made by any of the below means:
- ◆ Bank Transfers Using NEFT, RTGS & IMPS.
- ◆ Credit / Debit card payments can be done through our payment gateway (CC Avenue Payment)
- ◆ For course schedule, please visit our training calendar

Professional level courses – who should attend?

Professional level courses are designed specifically for professionals that are currently practicing food safety management and quality at a managerial or senior level including those who aspire to senior management or leadership positions. These certified courses will provide professionals with the strategic skills and knowledge to apply in their role and organisation.
