ISO 14001 CERTIFICATION

OUR CERTIFICATION PROCESS

Application Submission & Review:
- Submit your application to help us understand your requirements.

Stage 1 Audit (Document Review):
- Our auditors evaluate your organization's documentation, policies, and processes against the requirements of the standard

Stage 2 Certification Audit:
- Our auditors verify the implementation and effectiveness of your management system against the requirements of the standard.

Corrective Actions (if necessary):
- If any non-conformities are identified during the audits, you'll have the opportunity to address them.

Certificate Release:
- IAS grants Certification post successful audit.

ABOUT THE ISO 14001 STANDARD

ISO 14001 is a globally recognized standard for environmental management systems (EMS). It provides a structured framework for organizations to enhance their environmental performance and demonstrate a commitment to sustainability. ISO 14001 focuses on key principles

ENVIRONMENTAL POLICY

PLANNING

IMPLEMENTATION
